

Field Measurement

Dimensions required to match existing roofs.

X 1 =

X 2 =

X 3 =

X 4 =

X 5 =

X 6 =

Quantity =

Gable Truss Quantity =
Drop or Common

The above information will insure matching heights, but can not take in account for existing roof sag. Existing roof conditions will have to be the consideration of the framing contractor.

Use this sheet (filling in the dimensions for ALL X1-X6) to match to an existing roof. Send this completed sheet to (fax) 906-498-2124 or email to support@wendrickstruss.com
